

Purchasing Terms & Conditions

1. Definitions

For the purpose of these Conditions:

Agreement means the Purchase Order and the Supplier's acknowledgement of the Order;

Conditions means these terms and conditions;

Goods means any goods and/or services agreed in the Agreement to be purchased by the Purchaser from the Supplier (including any part or parts of them);

Order means the Purchaser's written instruction for the Supplier to supply the Goods, incorporating these Conditions;

Purchaser means, Ashtead Engineering Company limited (AEC)

Supplier means the person, firm or company who accepts the Order.

2. Supplier's Conditions

The Purchase Order, including these Conditions contains the entire agreement and understanding between the Supplier and the Purchaser and supersedes all prior discussions and negotiations between them. No terms or conditions endorsed upon, delivered with or otherwise contained or stated in the Supplier's quotation, or in the Supplier's acknowledgement or acceptance of the Order shall not be binding on the Purchaser if in conflict with or in additions to any of the provisions of the Order (including but not limited to delivery schedule, price, quantity, specification and terms and conditions) unless expressly agreed to in writing by the Purchaser.

3. Deliveries

- 3.1. The Purchaser's production schedules are based upon the Supplier's commitment that the Goods will be delivered to the Purchaser by the date specified on the Order, or, if a date is not specified, within 30 days of the date of the Order. Time of delivery is therefore the essence of the Order. If the Supplier fails to make delivery of the Goods at the time agreed upon, the Purchaser reserves the right to cancel, purchase elsewhere and hold the Supplier accountable for any additional costs or damages incurred by the Purchaser.
- 3.2. The Goods shall be delivered to the Purchaser's place of business or to such other place of delivery as is agreed by the Purchaser in writing prior to delivery of the Goods. The Supplier shall off-load the Goods at its own risk as directed by the Purchaser.
- 3.3. The Supplier shall ensure that each delivery is accompanied by a delivery note which shows the Order number, date of Order, number of packages and contents and, in the case of part delivery, the outstanding balance remaining to be delivered. It must also reference related certification with its corresponding certification number.
- 3.4. Unless otherwise stipulated by the Purchaser in the Order, deliveries shall only be accepted by the Purchaser in normal business hours. If the Goods are not delivered on the due date then, without prejudice to any other rights which it may have, the Purchaser reserves the right to:
 - (a) cancel the Agreement in whole or in part
 - (b) refuse to accept any subsequent delivery of the Goods which the Supplier attempts to make
 - (c) recover from the Supplier any expenditure reasonably incurred by the Purchaser in obtaining the Goods in substitution from another supplier
 - (d) claim damages for any additional costs, loss or expenses incurred by the Purchaser which are in any way attributable to the Supplier's failure to deliver the Goods on the due date.
- 3.5. Where the Purchaser agrees in writing to accept delivery by instalments the Agreement shall be construed as a single contract in respect of each instalment. Nevertheless failure by the Supplier to deliver any one instalment shall entitle the Purchaser at its option to treat the whole Agreement as repudiated.
- 3.6. The Purchaser shall not be deemed to have accepted the Goods until it has had 30 days to inspect them following delivery. The Purchaser shall also have the right to reject the Goods as though they had not been accepted for 30 days after any latent defect in the Goods has become apparent.

5. Payment

- 5.1. The Purchaser shall pay the price of the Goods that are delivered and accepted pursuant to these Conditions within 60 days from the end of the month of the tax point date of a valid invoice as received from the Supplier but time for payment shall not be of the essence of the Agreement.
- 5.2. Without prejudice to any other right or remedy, the Purchaser reserves the right to set off any amount owing at any time from the Supplier to the Purchaser against any amount payable by the Purchaser to the Supplier under the Agreement.

6. Quantities

If the Goods are delivered to the Purchaser in excess of the quantities ordered the Purchaser shall not be bound to pay for the excess and any excess shall be and shall remain at the Supplier's risk and shall be returnable at the Supplier's expense.
